HOW WE WORK OUT YOUR PREMIUM

Your insurance premium generally reflects the likelihood of a claim being made on your policy in the future. There are a number of factors we take into account when determining your premium. We calculate your premium by combining and considering the following:

- Pricing factors, including excesses
- No Claim Bonus
- Policy options
- Loyalty Discount
- Minimum and maximum premium, and
- Government charges.

Other commercial factors affect the premium you pay, including costs associated with operating our business. Each time you renew your insurance your premium is likely to change, even if your personal circumstances have not changed. This is because the premium you pay is calculated based on a number of factors, including our updated modelling, your circumstances and wider insurance trends.

PRICING FACTORS

Our experience shows us that there are a number of factors that are a good indicator of the possibility of a claim being made and/or the cost of a claim if one were to occur. We call these pricing factors.

Some pricing factors are more significant than others, and the impact may vary according to your circumstances. For landlord insurance policies, pricing factors that may be taken into account in determining your premium include a combination of some or all of the following:

- policy type
- the sum insured you have chosen
- any excesses or special conditions that apply
- the construction materials of your rental property and when your rental property was built
- the address of your rental property
- the flood risk of your rental property
- how your rental property is occupied – for example, tenant
- the type of alarm installed
- how you choose to pay your premium
- your previous year premium if your policy is a renewal, and
- features including age and claims history of the owners.

This is not an exhaustive list of our pricing factors.

We collect information in relation to these pricing factors from you and other sources and we use our data, models, and experience to assess how important each pricing factor is for your policy. At any time we may change the relative importance of any of the pricing factors or how they combine to affect your premium, and we may add to or remove pricing factors from the calculation as we see fit.

NO CLAIM BONUS

We give you a No Claim Bonus which ranges from 0% to 25% to reward you for your good claims history. Once you reach 25% No Claim Bonus you will also receive associated privileges.

A different No Claim Bonus may apply to each policy that you hold with us. When you first take out each policy, we calculate your policy's No Claim Bonus level based on:

- claims history of you and any other policy holders, and
- number of years you and any other policy holders have held home insurance for.

Your current Certificate of Insurance will show any No Claim Bonus and any benefits that have been applied to your policy. The way in which your policy's No Claim Bonus is applied to your premium is set out in the 'How we calculate your Landlord premium' section of this guide on page 5.

The No Claim Bonus levels are:

How does No Claim Bonus work?

No Claim Bonus is calculated on each policy, unless your claims history does not entitle you to a No Claim Bonus. Each year at renewal, your policy's No Claim Bonus is recalculated. For each claim free period, your No Claim Bonus will move up one level, until you achieve our maximum 25% No Claim Bonus.

For each claim made since inception of your policy (for a new policy) or the date of your last renewal notice*, your No Claim Bonus will move down one level unless:

- You have chosen to pay to add No Claim Bonus Protection to your policy and it is the first claim since inception of your policy (for a new policy) or the date of your last renewal notice*
- You have achieved Claim Free Privilege Plus status and it is the first claim since inception of your policy (for a new policy) or the date of your last renewal notice*, or
- You have achieved Claim Free Privilege Life status.

What is a Claim Free Period?

A claim free period is the period from inception of your policy to the date of your first renewal notice* (for a new policy) or the period between the date of your previous renewal notice* and the date of the next renewal notice* in which no claims are made.

What happens if I make a claim without No Claim Bonus Protection?

For each claim made since inception of your policy (for a new policy) or the date of your last renewal notice* without No Claim Bonus Protection, you move down one level. For example:

- If you have 15% No Claim Bonus and made one claim, you would move down to 12.5%, and if you made two claims, you would move down to 10%.

What is the No Claim Bonus Protection option?

If you have 20% No Claim Bonus or 25% No Claim Bonus with Claim Free Privilege status, you are eligible to pay an additional premium to protect your policy's No Claim Bonus level. This means your No Claim Bonus will not move down a level where you make one claim from inception of your policy (for a new policy) or the date of your last renewal notice*. However, you will move down a No Claim Bonus level for each additional claim you make.

What is free No Claim Bonus Protection?

If you have achieved Claim Free Privilege Plus status, you are awarded with free No Claim Bonus Protection. This means you will retain your Claim Free Privilege Plus status and 25% No Claim Bonus when you make one claim from inception of your policy (for a new policy) or the date of your last renewal notice*. However, if you make two claims you will move down to our 20% No Claim Bonus and will continue to move down a level for each additional claim.

What is free No Claim Bonus Protection For Life?

If you have achieved Claim Free Privilege Life status, your policy's 25% No Claim Bonus is locked in for the life of the policy. This means your 25% No Claim Bonus will not be affected regardless of how many claims you make and you retain your Claim Free Privilege Life status for the life of the policy.

*You can find this date on the bottom of your renewal notice. This may be different to your policy period start date as shown on your Certificate of Insurance.

POLICY OPTIONS

Cost of choosing to Pay By The Month

If you choose to pay your premium by monthly instalments you may pay more than if you pay annually. Any additional premium when you pay monthly is due to this being a pricing factor and an administrative cost.

Any additional premium you are required to pay will be shown on your current Certificate of Insurance.

LOYALTY DISCOUNT

Your Loyalty Discount is based on how long you have had a relationship with us and how many eligible policies you have. The longer you maintain your continuous relationship with us and the more policies you hold, the higher the discount you could receive.

The way in which your Loyalty Discount is applied to your premium is set out in the 'How we calculate your Landlord premium' section of this guide on page 5.

Refer to the following Loyalty Discount table to see what discount you will be entitled to.

Years of Relationship	25+	12.5%	15%	17.5%	20%	22.5%	25%
	10-24	10%	12.5%	15%	17.5%	20%	22.5%
	5-9	7.5%	10%	12.5%	15%	17.5%	20%
	3-4	5%	7.5%	10%	12.5%	15%	17.5%
	0-2	0%	5%	7.5%	10%	12.5%	15%
		1	2	3-4	5-7	8-9	10+
		Policy Count					

To receive a Loyalty Discount, the eligible policies must be current.

If you take out a new eligible policy the Loyalty Discount will be applied to that policy.

For your existing eligible policies any change to your Loyalty Discount generally applies from the next renewal after you qualify.

If you become eligible for an updated Loyalty Discount around the time your existing policies are due for renewal, the updated Loyalty Discount may not be applied to those renewing policies (the updated discount will be applied on the subsequent renewal).

You should contact us if you believe you are eligible for a higher Loyalty Discount on a policy and it is not noted on your Certificate of Insurance.

List of business

To help ensure we are taking into account all of your policies and you are receiving the maximum discount you can check all your policies via your online account nrma.com.au or contact us on 132 132.

For policies with more than one policyholder, your discount is based on the policyholder who has the highest loyalty discount (most eligible policies and longest continuous relationship with us).

Some NRMA Insurance branded policies issued for insured property or assets located in South Australia, Western Australia and the Northern Territory will not contribute to your policy count and will not be eligible to receive a Loyalty Discount. If you have such a policy, you will be told about this on the Premium, Excess and Discounts Guide applicable to that policy.

The following is a list of the policies that:

- contribute to your policy count
- are eligible to receive the Loyalty Discount.

MINIMUM AND MAXIMUM PREMIUM

Your premium, including any discounts you may be eligible for, are subject to minimum and maximum premiums. We consider the minimum and maximum amounts we are prepared to sell the policy for and may adjust your premium to ensure it does not fall outside that range. Any discounts will be applied to your policy, only to the extent any minimum premium is not reached. This means that any discount you may be eligible for may be reduced. When we determine your premium on renewal, we may also limit any increases or decreases in your premium by considering factors such as your previous year's premium amount.

EXCESS

An excess is the amount you contribute towards the cost of your claim.

There are four types of excess:

- Basic
- Rent default
- Earthquake
- Special.

The type of excess you need to pay depends on what your claim relates to. Also, you may need to pay more than one excess.

The amount and types of excess payable are shown on your current Certificate of Insurance.

When you make a claim, an excess may apply. If so, we will:

- deduct the excess from any claim payment, or
- request you pay the excess to us or to the repairer or supplier.

If we request you pay the excess, we will tell you who to pay and may require payment as part of the finalisation of your claim.

In addition to the basic excess, we will also deduct four times the weekly rental amount that is listed on your rental agreement for the following events:

- Theft or attempted theft - by a tenant or their guest
- Vandalism or a malicious or intentional act - by a tenant or their guest.

You do not have to pay an excess if you make a liability claim.

Basic excess

If you make a claim, a basic excess may apply. The circumstance(s) when an excess (including a basic excess) does not apply are set out in this Excess section.

You can choose one of the following amounts in the table, as your buildings basic excess or your contents basic excess:

NSW/ACT/TAS/QLD/VIC
\$100
\$200
\$300
\$500
\$750
\$1,000
\$2,000
\$3,000
\$4,000
\$5,000

Choosing a higher basic excess reduces your premium. You should make sure the basic excess you choose is appropriate for you, taking into account your sum(s) insured and the limits of any other benefits or options.

If you have combined your Buildings Insurance and Contents Insurance under one policy, then you can choose a different basic excess for your buildings and contents. Then, if you make a claim for loss or damage under:

- your Buildings insurance you must pay us the buildings basic excess, or
- your Contents insurance you must pay us the contents basic excess, or
- both your Buildings and Contents Insurance you only pay basic excess, whichever is the higher.

Rent default excess

If you make a claim for rent default only, you must pay a \$300 rent default excess instead of the buildings or contents basic excess. If you make a claim for more than just rent default, you will need to pay a \$300 rent default excess in addition to any other excess that applies.

In addition to the rent default excess, we will also deduct four times the weekly rental amount that is listed on your rental agreement.

Earthquake excess

If under Buildings Insurance you make a claim for loss or damage as a result of the listed event of earthquake, you must pay the earthquake excess of \$500, or the buildings basic excess, whichever is higher.

Special excess

We may apply a special excess for one of the listed events. A special excess is payable in addition to your buildings or contents basic excess.

GOVERNMENT CHARGES

Landlord Insurance policies are subject to stamp duty imposed by state and territory governments in addition to GST.

In addition to stamp duty and GST an amount of your premium is also used by us to pay the Emergency Services Levy (ESL) which funds NSW Emergency Services and the SES.^

Government charges	NSW	ACT	TAS	QLD	VIC
GST	10%	10%	10%	10%	10%
Stamp Duty	5%	0%	10%	9%	10%

^ For policies held in NSW only

HOW WE CALCULATE YOUR LANDLORD PREMIUM

Step 1

First, we combine the pricing factors relating to the product.

Step 2

Then we add the cost of choosing to pay by the month to the landlord premiums.

Step 3

We then add any pricing factors relating to the year your rental property was built and apply to the buildings premium from step 1.

Step 4

Once this amount is calculated we work out any No Claim Bonus you may be eligible for and apply this to the amount from step 3.

Step 5

Then, we add the cost of any No Claim Bonus protection you have chosen.

Step 6

We then work out any Loyalty Discount that you may be eligible for and apply that to the amount from step 5.

Step 7

If you have both Buildings and Contents Insurance under the one policy, we add your buildings premium and contents premium together as well as adding the landlord premium.

Step 8

To the amount in step 7, we add applicable government charges to work out the premium you need to pay.
